Did You Know?

A gift of **APPRECIATED SECURITIES** has significant benefits for both you and RLS. First, you get a tax deduction of 100% of the market value of the stock. Second, neither party pays any capital gains tax on the growth of the stock – 100% of the stock value goes to RLS. Please contact [finance@rlscary.org](mailto:finance@rlscary.org) for gift instructions.

Another way to provide for RLS is through **PLANNED GIVING** (Wills, Trusts & Annuities, and Life Insurance & Retirement Plans). Various options include naming RLS as a beneficiary through your will, dedicating a sum of money through a trust or annuity or designating RLS as a beneficiary of life insurance and/or retirement plans.

For more information, please visit <https://rlscary.org/about/giving>.
