

# 2021 Summer Reading Assignment

## 6th Grade Book Buffet

Due Date:

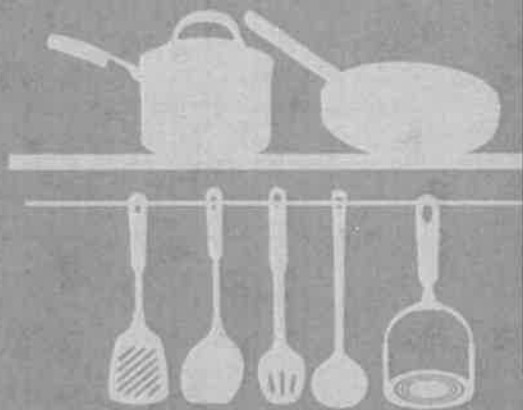

6th Grade: Friday, September 3, 2021

**Directions:** Read at least ONE fiction novel (or a narrative nonfiction that follows a typical plot) and complete the attached MENU assignment. On the due date, bring in your MENU, as well as a plate of food that symbolizes your book in some way. We will share these food items (and your menu project) with your class during a Book Buffet Lunch in which students will eat and learn about each other's books.

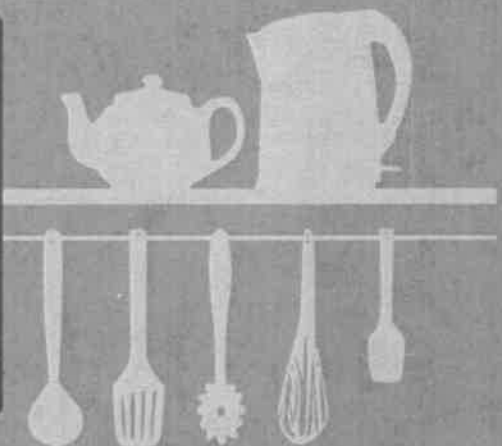

**Requirements:** Your book must be middle school level or higher. You must be reading this book for the first time. (Please don't do *The Diary of a Wimpy Kid*, graphic novels, etc.).

If you have any questions about the book choice, the project, or if you have any concerns about food allergies, please contact Mrs. Hundertmark. In addition, we would like two parent volunteers to help decorate/prepare/assist with the luncheon. Please contact Mrs. Hundertmark if you are interested/available.
