- New Ideas and past gifts were discussed... Gift cards, food delivery gift cards, gas cards, amazon GC... She has used every single thing so far and is so appreciative. Rosie shared that Kathy has absolutely Loved all the messages, sentimental gifts from the kids and pictures of them. Being a teacher at heart, She is missing that daily connection and contact with the kids. Anything to feel connected and cute distractions would be great. She Loves dogs, pets and teaching just to name a few. A few suggestions were brought up..
  - o Some sort of skylight or Aura picture frame where we can e-mail her pictures and they will rotate through the electronic picture frame at her home.
