SERVICE OPPORTUNITY

The Lutheran Build Coalition with Habitat is back for 2023 beginning with the warehouse wall build on Saturday Feb 11. Site construction will continue through the end of May. The Lutheran churches in the area will join together to build a new Habitat home. Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

This year the Coalition homes are being built in a new community called Old Poole Place in Southeast Raleigh. On the exciting Day 1, February 11, each Lutheran church is sending 3-5 volunteers to help build the walls and then raise them onto the foundation at the build site.

We have selected 2 RLC sponsored work days (Saturdays) and we need 15 volunteers each day to support the build. Our work days are March 25 and May 13.

No construction experience is necessary, being a member of RLC isn't necessary, feel free to invite a friend; there will be jobs for everyone with a serving heart.

You must register and sign up via the Habitat vhub link.

<http://vhub.at/lutheranbuild>

Not able to join an RLC build day ? No worries. You can sign up for Saturdays that other churches couldn't fill or even weekday (Thur/Fri) slots if that works better.

\$ Support Needed ! If you're not able to work on-site, there are other ways to support the project. We need additional funds to help offset the cost of building materials that the Lutheran Coalition community shares. Please mark your financial gifts "For: RLC Habitat Build".

Questions ? Call Tim Hiteshew (919-454-6505) - RLC Coalition Coordinator, or Lyle Malotky or Bill Boyer.
